

All-West Glass pledges \$100,000 to BC Children's Hospital Foundation

All-West Glass President Dan Young (right) presents a cheque for \$10,000 to Laura Rumble of the BC Children's Hospital Foundation. The donation is the first installment of a ten-year, \$100,000 total pledge to the Foundation from All-West Glass locations in British Columbia. All-West Glass will be pledging the same amount to the Stollery Children's Hospital Foundation in Edmonton. "Both hospitals treat children from all of our service areas in the north and it was a perfect match for us to share our success and show our support for the good work that they do," said Young.
